

Year 6 Curriculum Map:

Autumn 2

Maths:

This half term we are focusing on fractions. We will be learning how to add, subtract, multiply and divide fractions. We will also order, compare and simplify fractions. We will also be working on our calculation skills, making sure that we have strategies to check our answers and improve our accuracy.

English:

During our first week back, we will be exploring the two main characters in 'Goodnight Mr Tom'. We will write diary entries from both characters' perspectives. We will then write a narrative based on another novel 'Once' set in WWII. This unit of writing will include a technique whereby the main character will experience a flashback.

Science:

Year 6 scientists will be studying electricity this half term. We will be carrying out lots of practical investigations using bulbs, batteries, wires, motors, buzzers and more!

History:

WWII is our history topic for this half term. We will be learning about how the war started, some of the key events, what life was like for children during the war, rationing, and how the role of women changed during this period. We will also touch on the holocaust.

RE:

In RE, the children will be learning about Islam. They will be exploring the question: How does tawhid create a sense of belonging to the Muslim community?

PE:

On Wednesdays, the children will be swimming with Miss Norton. Forest School will continue to be on Monday afternoons.

Computing:

This half term in Computing we will be learning all about staying safe online, using a new curriculum from Digital Matters. I will be in touch soon about some resources that can be accessed at home to support this.

PSHE:

This half term in PSHE we will be celebrating diversity in many ways. We will be learning about people with various special educational needs and disabilities; people from different faiths and cultures, and refugees

Design and Technology:

We will have a D&T day towards the end of term to develop cooking skills, by making bread!

French:

This half term we will be learning the vocabulary to do with shopping. We will learn the names of different shops and clothes in French. We will learn how to ask how much things cost.

Music

We will be learning lots of fabulous songs ready for the KS2 Christmas Carol concert!
