Tuesday 3 March 2020

Dear Year 4 families

Please could you have a rummage at home to see if you have any reading books belonging to the class / school / a teacher as our classroom book stock is currently quite depleted. Most of our books have a stamp inside or a label on the outside.

We would be very grateful to have all books returned to us that are not currently being read by the children (one per child).

With thanks for your support,

Mrs Hare
