Reception- Oak Class
Spring Term 2nd Half- Around the World

Communication and Language

We will talk about our world and the different environments in it, using both images and non-fiction books to support our understanding. There will be a focus on learning and using key vocabulary.

Personal, Social and Emotional Development

This half term, we will take on various roles in our home corner and travel agent's role play areas. We will think about the perspective of others through Mother's Day and Easter

Physical Development

We will begin our forest school sessions where we will focus on the rules and safety elements of forest school, as well as exploring the forest school area.

Literacy

The children will continue to have daily phonics as well as read regularly each week. We shall practise using our phonic knowledge by writing in a variety of forms such as stories and a fact file.

Understanding of the World

Images and non-fiction books will be used to help us talk about areas of the world and the geographical features of them. Comparisons will be made between them and Suffolk.

Mathematics

We will focus on comparing numbers to 10 and exploring number bonds to 10 as well as doubles. The children will also think about length and time.

Expressive Arts and Design

The children will use small world resources and role play to develop their communication skills. They will explore group collage, drawing and painting.
