Junk model dogs

**News**

Hopefully you have all been able to log in to your child's tapestry account. Please let us know if you are having any difficulty. It will give you a snippet of what your child is getting up to in school. We love to see what they are doing at home too!

We have a child who has lost a named cardigan. Please have a look at home and return to school if found- thanks.

**Homework**

Bring in a picture of a pet to talk about in show and tell. It could be a photo of a pet who lives with you, a photo of a relative's pet or a picture in a book or from the computer. We will be using these for a display, but will return them later in the term, so please ensure it is named on the back.
