Clay cats

News

We will be holding a phonics zoom meeting on Monday 28th September at 7:30pm- please see email for log-in details (21/9). This will be a chance for you to find out how we teach phonics at school and how you can support your child at home.

Homework

Please see the separate maths homework sheet attached with this newsletter. We will be sending home a maths homework each week linked to the numbers that we are learning in school.

Go on a shape hunt- what different shapes can you find at home/ out and about? How many corners do they have? How many sides? Which shape can you find the most of?
