12<sup>th</sup> November 2020

Dear Families,

Increasingly I am contacting parents with our concerns about online safety, in particular their child's use of apps that have inappropriate material or features.

Today I was made aware of some children doing a dance from Tik Tok to Cardi Bs WAP. This song and video is highly sexualised and not something any parent would wish their child to see.

I am not making a judgement here, however, it does highlight the need for parents to be aware of what their child is doing online. Without appropriate supervision your child could come to harm and it is our responsibility to keep them safe.

Please click on the link below for a resource from Vodafone called Digital Parenting that has a great deal of useful information and advice.

<https://www.vodafone.co.uk/mobile/digital-parenting/expert-advice-category>

Can I take this opportunity to remind all parents that the **minimum age for TikTok is 13 years of age.**

Please do contact us if you have any concerns or need any advice.

Kind regards

Mr Ginn

Miss Brown (Online Safety Lead)
