Label a picture of an emergency vehicle

**Mathematical Development**  
Subtraction with emergency vehicles

**Understanding of the World**  
Talk about the jobs within the emergency services

**Expressive Arts and Design**  
Make junk model emergency vehicles

**News**

We are very excited to see the children again on Monday!  
We will continue to do PE on a Wednesday as before, so please ensure that your child has their kit in school. We will then keep it in school as usual.

We have very low or no supplies on the following spare clothes..... boys school trousers and girls' skirts/dresses/ tights. If you have any of the above which your child has outgrown, we would be very grateful 😊  
Also, if you have a cereal box/ boxes/tubes which would be suitable for a junk vehicle please send them in!

**Homework**

Talk about emergency vehicles- have you ever see one? Where? What noise do they make? When would you need one?
