News

Enjoy the bank holiday weekend. It would be lovely to see some photos of what you get up to on tapestry.

Homework

There are two separate maths sheets this week on shape. Please complete as many of the activities as you can to consolidate your child's learning.

Taste some honey.... You could help make a meal with honey in it, try some honey on toast etc. Can you think of some words to describe it- what does it feel like? Taste like? Look like? Smell like?
