World**

Making minibeast homes

Expressive Arts and Design

Clay snails

News

We have quite a few jumpers and cardigans in class now with no names in. If your child has lost a jumper or cardigan over the past couple of weeks, please let us know. Also, please check that your child's clothing still has their name in, especially now they begin taking them off in the warmer weather.

Homework

The maths homework this week is doubles. Please see separate sheet sent home.

Thank you so much for all of the lovely 2D and 3D art work that has been sent in over the past few weeks for homework. Our homework display is full and looks great!
