

Year 1 (Ash Class) Spring 2 Curriculum Map

Music

Combining pulse, rhythm and pitch through songs and games. We shall also use glockenspiels to play and perform songs we have learnt,

PE

We shall be having Dance on Wednesday afternoons where we shall explore movement to stories and music. On Friday mornings we shall be looking at target games; developing throwing, and hand-eye coordination.

Phonics

We continue to have daily phonics sessions focusing on Phase 5. We will also incorporate a language and spelling focussed session.

Computing

Animated story books

Maths

We will be looking at a range of Maths themes; weight and volume, multiplication and division, fractions and place value. We continue to count within 100 in steps of 2/5/10 and explore problem solving.

DT

We shall be learning about food hygiene. We will be following and designing our own healthy recipes. We shall be making healthy drinks and foods including smoothies, salads and pizzas.

Science:

Seasonal changes and light. Making simple observations and investigations.

Geography

Around the world: We shall be learning facts about the UK; fact finding, labelling countries and capital cities on maps. We shall also begin to learn about the continents and oceans of the world.

Values and Beliefs

We shall be focusing on prayer and worship in Christianity. The children will explore the question 'Why do Christians pray to God and worship him?'

English

We are looking at journey tales with a focus on the story 'Emma Jane's Aeroplane.' We will explore dialogue, question sentences and story writing. We shall also have a non-fiction focus on letter writing and poetry. We have a whole class Guided Reading session each week with a text focus to support reading skills as well as comprehension.
