

English

During the term, we will get stuck into our class book *The Creakers* and focus on suspense alongside some non fiction writing about monsters.

Maths

We will continue to develop our times tables and our formal written methods. We will look at perimeter, compare lengths and start learning about fractions.

Year 3

Spring Term 2 Willow Class

Science

We will observe and compare forces and magnets and understand how they act and can be useful in the world around us.

History

We will explore the changes in Britain through the Bronze Age and Iron Age.

RE

We will learn about why the cross is more than a symbol of sacrifice for Christians.

Music

We will sing songs about our community and develop our listening and composing skills.

PE

We will be developing new gymnastics skills such as rolls and jumps and learning to play Netball.

DT

We will be creating bookmarks to show off our needlework skills.
